

# A Community in Canada

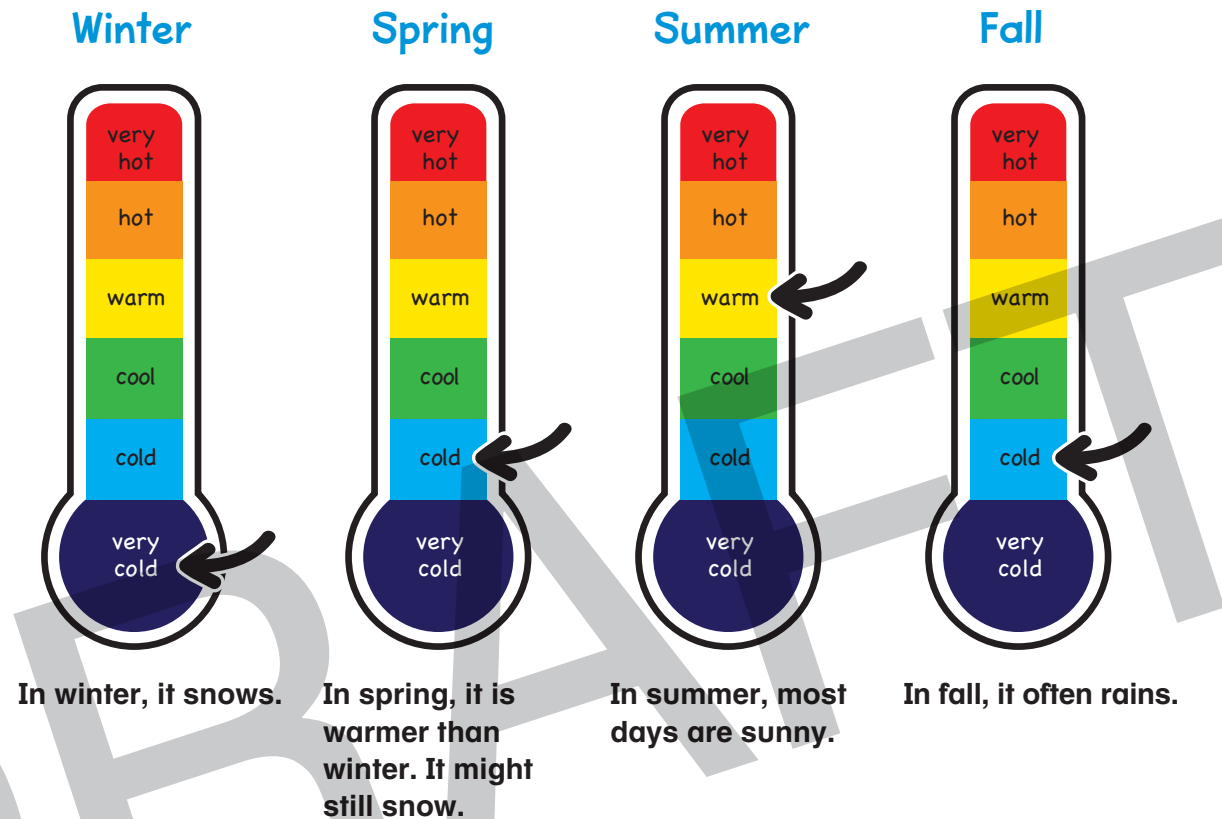

## Natural Features of Canada

Tyendinaga is a community in Canada. Canada has many natural features, such as wetlands and lowlands. Wetlands are wet, swampy lands. Lowlands are flatlands that are lower than the land around them.

## Seasons in Tyendinaga

Tyendinaga has four seasons.

### Let's Talk

- What natural features do you see on the map?
- What natural features are near Tyendinaga?
- What connections can you make to Tyendinaga?

### Let's Do

1. Choose one season.
2. Draw a picture of what people in Tyendinaga might wear outside during that season. Show the people doing an activity, such as ice-skating or swimming.
