

Photo Card 3: A Ribbon-Cutting Event

Let's Talk

- What special event do you think is happening in this photo? Who do you think some of the people are? Why do you think they are cutting a red ribbon? Explain.
- The white sign says “SHARED PATHWAY”. What two activities do you think will share the pathway? How do you know?
- What questions do you have about the pathway or the event?
- How will the new pathway help people in the community?

Let's Do

- Think about places in our community where you go to have fun. Draw pictures or take photos to share your favourite place with others. Include captions for your images.
- Think about questions that you think people might have about a place in our community. Write three questions and answers to include on a community website.
- Plan a ribbon-cutting event for our class or school, for example, the planting of a new tree. List the people who should attend. Create an invitation or a poster for the event.

About the Photo

Local Markham politicians and several members of the community attend the ribbon-cutting ceremony for the opening of a multi-use pathway.
