

Meet the Peekapak Pals!

The world of Peekapak is rooted in Peekaville, a special place where creativity is highly valued and everyone has their own creative interests. Discover new things about the Peekapak Pals, and join them on exciting new adventures in each book!

Menka
loves building and
learning about
architecture.

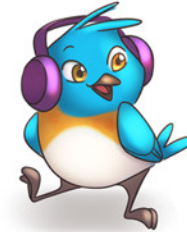

Leo the Hedgehog
is a tinkerer and
loves to learn how
things work

Cody
is an illustrator —
comic books are his
favorites!

Kenji
designs amazing
fashion and
accessories.

Brady the Bunting
jams to music he
creates!

Inés
loves learning
new programming
languages.

Saffron the Skunk
uses chemistry to
invent new recipes.

Lucia
loves electrical
engineering and makes
everything light up!

Sebastian the Salamander
is into computer
science and technology.

Freya the Fox
experiments with
photography and film.

Apollo
loves robots and
always wants to
build new ones.

Zoey
is fascinated by plant
biology and creating
hybrid plants.
